Grants

CDAC Mini-Grants and other funding sources

CDAC provides “mini-grants” to classified staff members who wish to engage in development activities. The grants can be used for conferences, workshops, online courses, or classes. Expenses other than books, materials, and food can be included. The annual maximum grant is \$200 per staff member, but the grant can be combined with other funding sources, such as those below. Contact a CDAC member, or use a form below to apply. Group grants are also available for group activities.
